

2025 Brunch & Bowl Fundraiser Sponsorship Opportunities

The Event

Join us for our 2025 OTB 'It Takes a Village' Brunch and Bowl Fundraiser on Saturday, May 31st, Bowlero at Dania Beach. Get ready for an afternoon filled with fun, laughter, and friendly competition in bowling, along with delicious food, exciting games, and great networking opportunities while supporting our underserved youth in our local community. Your support

We are looking for event sponsors, avid bowlers who want to assemble a team for a good cause, or individuals and families who wish to participate. It is just **\$450 per team** and includes six players, food, a gaming card, drinks, and a good time. Individuals can join for **\$75 per player**.

Who is Only the Beginning?

Only The Beginning, Inc. is a 501c3 nonprofit organization that was founded by German and Angie Alvarez of AVI Aviation, Inc. with a mission to change the lives of local youth and community members by creating sustainable programs that promote education and economic growth. All donations and sponsorships provided are tax-deductible according to State and Federal law. Although Only the Beginning, Inc. is relatively new, we have already **been awarded the 2022/23 School-Based Business of the Year by Broward County Public Schools**.

Why Should You Sponsor?

As a sponsor of our **2nd Annual Only the Beginning Bowling Fundraiser**, you will become part of the village that supports children like Mayah. Mayah has dreams. With your support, we can help give her the tools to see those dreams to fruition with programs like our “Economic Mobility,” which will bring tutoring to her doorsteps, or “Operation Exposure,” which will expose Mayah to future job opportunities. As a member of her village, you are taking steps to ensure that no child lacks the necessary means to reach their full potential.

Becoming an OTB Brunch & Bowl Sponsor is also a great way to increase your company’s visibility while making a difference in underserved communities. As a sponsor, your company will be recognized as a partner in our initiative to build a better future for young scholars and their families throughout Broward County and surrounding areas. Your logo will be permanently placed on our Economic Mobility Center and/or at one of the adopted schools.

In less than a year, funds from previous donors have been able to affect the lives of scholars, parents, teachers, and staff at the schools, directly reaching over 5,000 people and 15,000 family members. Since conception, we established **Gardening and Drama Clubs** and launched **five (5) Incentive Programs** at schools in Broward and Miami-Dade County that inspire young scholars to attend school daily while performing their best academically and behaviorally. Our incentive program dramatically increased Daily Quarterly Attendance by 113% at Broward Estates Elementary School, contributing to a new school ranking of “C” for the 2024 year.

Watch our [Art Basel Field Trip](#) to see how your dollars bring new experiences to children like Mayah.

Fundraising Goals

We have set a goal of **\$35,950** to help continue hosting and establishing sustainable programs and activities at local schools and community centers. You will be able to change the lives of thousands with your monetary support of a one-time donation or long-term partnership. A youth transportation van is also needed for our summer and after-school programs.

Why are we different from other non-profit organizations?

Your involvement does not end with your donation. As a sponsor, you can follow your donation’s impact and see how your funds are used. As our scholars and schools

progress, you will be notified directly and via OTB's newsletters of the progress made, making you part of the journey.

Where and Who Can Attend?

We want to expand our efforts to reach more community members and will host our **2nd Annual "It Takes a Village" Brunch and Bowl Fundraiser** on May 31st at the Bowlero Dania Beach, 1841 Way Point Place Dania, Beach, FL 330044. All bowlers and **non-bowlers are welcome to attend**, and there are several opportunities to become a sponsor for this event! Your dollars will be used to support our existing and new programs, and we have sponsorships available to fit any budget.

We will also host a brunch, open bar, auction, and raffles. This event will provide an opportunity to network with other local businesses, government officials, and principals of the schools you will be helping to support. Current guest speakers are Broward County School Board All-County Member Debra Hixon.
